OUR FOUNDER

Sheikh Nasser Almutawa Alotaibi is a prominent member of the Saudi business community. In 1980, Sheikh Nasser laid the foundation for the Samama Group. He has also assisted influentially in setting up a wide range of successful business enterprises in Saudi Arabia & the GCC region that includes, Arabian Shield Insurance, Al-Jazeera Publishing, Al Tayyar Travel Group, Yamama Cement Company, Almarai Group, Elaf Bank, Jubail Energy Service Company & Technology Investment Company.

Today, Sheikh Nasser's business interests stretch as far as the USA, Europe and Asia. He has a long time passion for fine art and has an extensive collection of paintings by prominent artists.

The Sheikh is a frequent and influential contributor to the Saudi business community with regular appearances on TV and perceptive articles in newspapers and magazines.

He is a Chairman of the British-Saudi Business Council, Member of the US-Saudi Business Council and Member of the Government of Pakistan Higher Board of Investment.

Sheikh Nasser Almutawa Alotaibi

CORPORATE SOCIAL RESPONSIBILITY

SAMAMA has always given high priority to identifying and supporting social initiatives that enhance the wellbeing of our citizens; especially those who are less fortunate.

Accordingly, Samama establishes and maintains an impressive range of philanthropic enterprises.

CORPORATE SOCIAL RESPONSIBILITY PROGRAMS

- The Physically Handicapped Association (Harakia)
- Religion For Peace, World Religion Council – New York
- Prince Salman Centre for Disability Research
- Saudi Orphans Association
- The Patients Friends Committee
- The Taibah Charity Organization
- The Saudi Red Crescent Committee
- The Association for Caring for Prisoners and Their Families

SAMAMA OPERATIONS & MANAGEMENT

SAMAMA O&M is the Group's flagship company. It was established in 1980 with the corporate vision to provide first class 360° maintenance facilities for the Kingdom's infrastructure.

Throughout its 33 year history, O&M has managed most of the largest government projects in Saudi Arabia. Today, as a Class A rated operator, with more than 10,000 trained employees, O&M has implemented over 195 maintenance contracts for major government facilities and services and maintains more than one billion square meters of facilities annually.

Our investment partners:

- Arabian Shield Insurance, KSA
- Al Tayyar Travel Group, KSA
- Arabian Water Proofing Industries (Awazil), KSA

- Elaf Bank, Bahrain
- Karachi Electric Supply Corporation, Pakistan
- Aljazeera Publishing, KSA
- Qinvest, Qatar
- Qatar First Bank, Qatar
- Jubail Energy Services, KSA

SAMAMA ENERGY

Working for a greener Future

The growing international demand for energy means, it is important to come up with new solutions in this field and prioritizing those that use clean and inexhaustible sources.

We have newly formed our Energy R&D division. The prime concept behind it, is to create facilities that convert energy from

renewable sources into electricity and biofuels and to construct transmission lines that support the electricity networks. The division will also work on energy saving models.

Energy

PLANNING FOR THE FUTURE

- Formation of new joint ventures in our core businesses.
- Expansion plans for our existing business.
- Diversification of business into other progressive sectors.
- Become a public listed organization
